GET TO KNOW: SAOIRSE AMIRA ANIS

Saoirse Amira Anis is an artist who lives and works in Dundee. She grew up in the countryside near to Lanark.

Saoirse makes artworks that combine dance, sculpture and nature. She often makes films and performances.

Saoirse's heritage is Scottish-Moroccan, and this is often the starting point for her work.

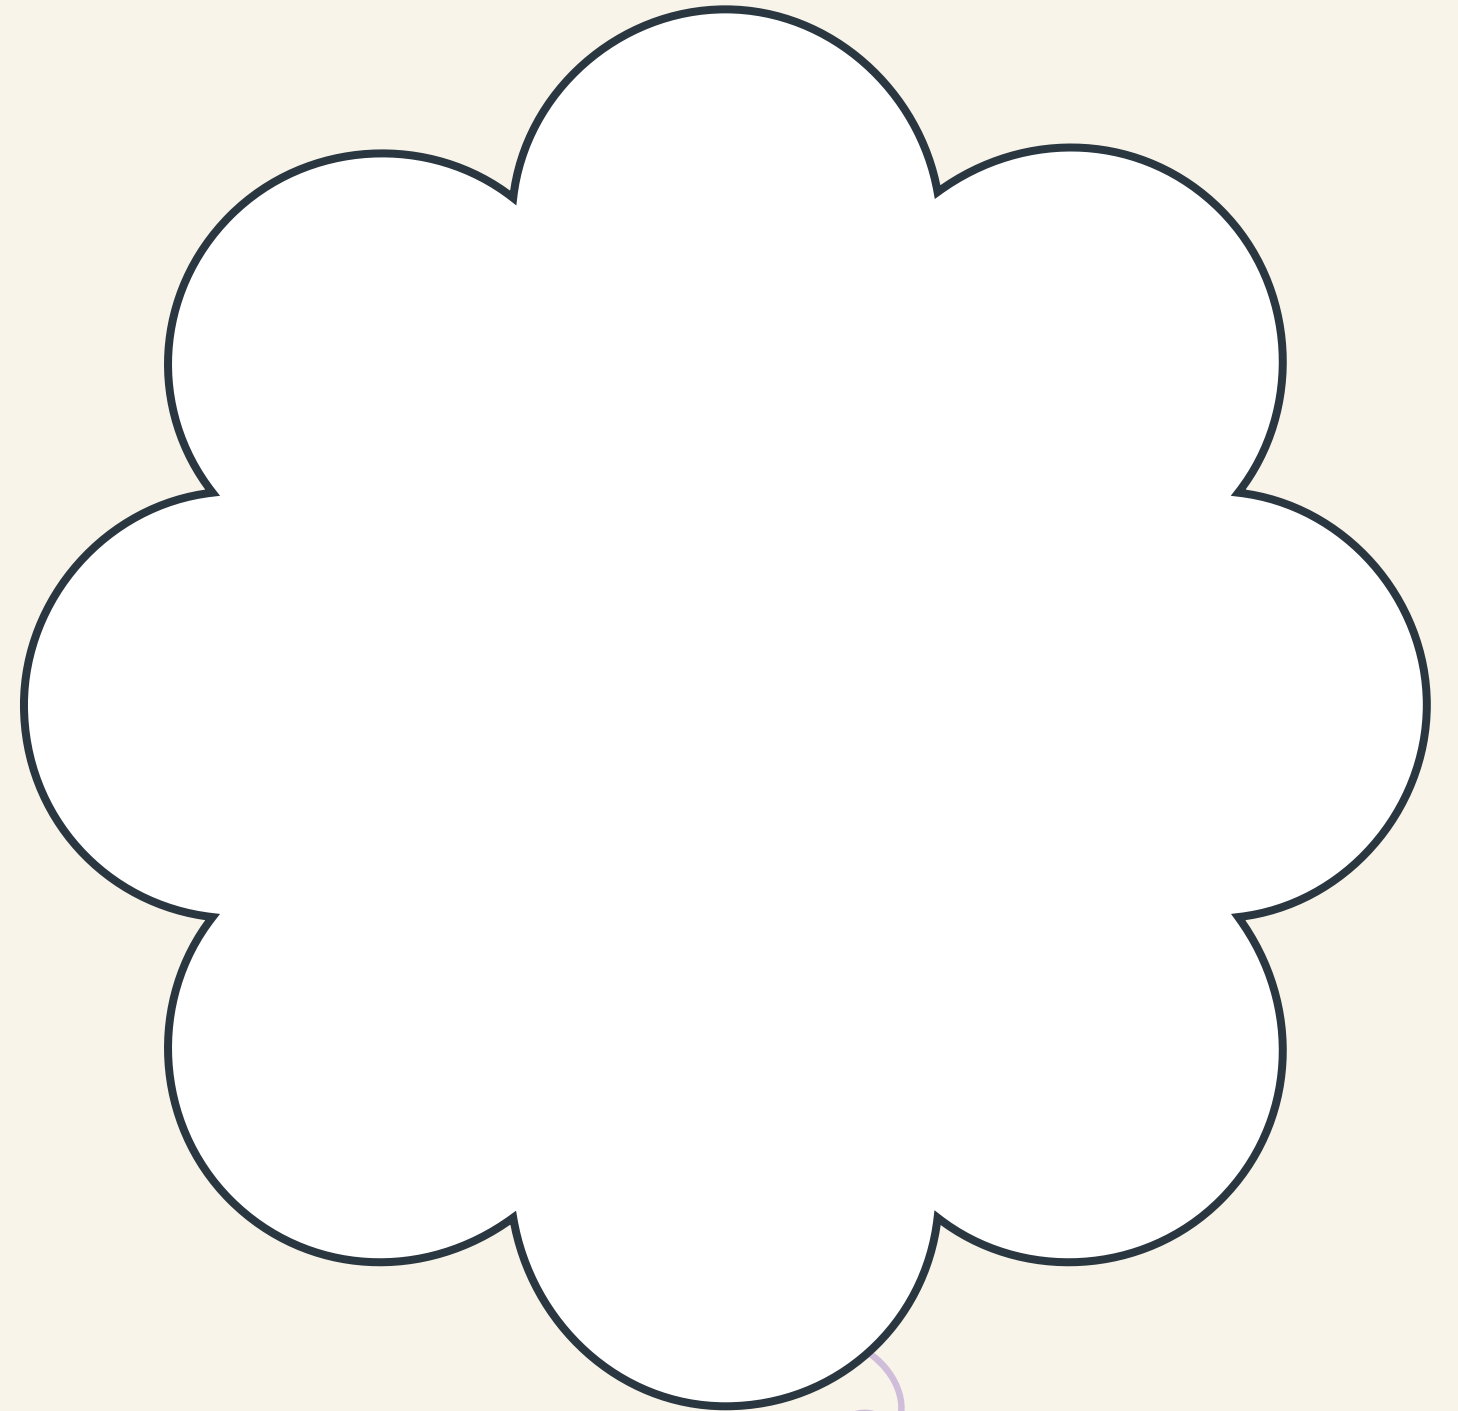

For a new project, Saoirse has created an alter ego called Freedom Princess.

Saoirse means 'Freedom' in Gaelic and Amira means 'Princess' in Arabic.

Saoirse has said 'Freedom Princess doesn't come from anywhere you'd be able to identify on a map...'

YOUR ALTER EGO

Sometimes people create alter egos - these are different versions of themselves and can sometimes involve a secret identity or job (like Superman and Clark Kent!)
